GOLF CANADA FOUNDATION PRESIDENT'S REPORT

Rapport du président de la Fondation Golf Canada

After several years of significant gains, I'm pleased to report that in 2016 we reached even higher by broadening our funding support through the provinces and individual donors to register another 22% in net revenue growth. Funding was up in almost every major program area including high performance, junior programs, provincial and women's golf.

One of the most impactful programs the Foundation has supported over the past few years is Golf Canada's Young Pro Squad, a program that's helping a significant number of top Canadian players. The program was launched in 2013 to provide a bridge between the amateur level and the pro ranks, ensuring more talented Canadian players make it to the top levels of the game.

2016 was a banner year, highlighted with former Young Pro Brooke Henderson becoming the first Canadian to win a major in 13 years, and also placing 9th in golf's modern-day Olympic debut in Rio. On the men's side, Mackenzie Hughes became only the 13th Canadian to win on the PGA Tour, and the first rookie to win wire-to-wire in 20 years.

The Young Pro Squad has recorded 26 professional victories overall since 2013, a tremendous rate of success in such a short time. With better results on the pro tours and at the Olympic Games, we strongly believe that Canadians performing well on the world stage will inspire the next generation of players to help grow the game in Canada. Many thanks to head coaches Tristan Mullally and Derek Ingram for their leadership in the Young Pro program, and our partners RBC, Canadian Pacific, Citi Canada, and the Foundation's Women's Fund.

Foundation Donors and Events

Our top donor program expanded again to a total of 44 trustees investing in the Foundation and the programs we support. Starting at a minimum investment of \$5,000 per year, Trustees receive the opportunity to access to the best in Canadian golf, including: events, experiences, players, and partner offers. Many of our Trustees have played with today's

Après plusieurs années de gains significatifs, je suis heureux d'annoncer que nous avons atteint de plus hauts sommets encore en 2016. En effet, nous avons augmenté nos collectes de fonds dans les provinces et auprès de donateurs particuliers, si bien que nos revenus nets ont crû de 22 %. La croissance s'est manifestée dans pratiquement tous les secteurs du programme, notamment la haute performance, la programmation junior et le golf provincial et féminin.

De tous les programmes que nous avons financés ces dernières années, la formation Jeune pro de Golf Canada est l'un de ceux qui ont eu un impact le plus considérable. Ce programme, qui vient en aide à des golfeurs et golfeuses d'élite canadiens, a été lancé en 2013 pour jeter un pont entre les rangs amateurs et professionnels afin qu'un plus grand nombre d'athlètes canadiens talentueux atteignent le plus haut niveau du golf.

À cet égard, 2016 aura été une année mémorable. Brooke Henderson, ex-membre de la formation Jeune pro, a gagné un championnat majeur, ce qu'aucun Canadien, homme ou femme, n'avait fait depuis 13 ans. Elle a aussi pris la 9e place du classement individuel de la compétition olympique féminine à Rio de Janeiro. Chez les hommes, Mackenzie Hughes est devenu le 13e Canadien seulement à remporter un tournoi du PGA TOUR après avoir mené la compétition de bout en bout, exploit qu'aucune recrue n'avait réalisé depuis 20 ans.

Depuis 2013, les membres de la formation Jeune pro ont signé 26 victoires, un haut fait en si peu de temps. Compte tenu des succès du Canada sur les circuits professionnels et aux Jeux olympiques, nous croyons que ces résultats sur la scène internationale inspireront la prochaine génération et qu'ils contribueront à l'essor du golf au pays. Nous remercions les entraîneurs-chefs Tristan Mullally et Derek Ingram qui exercent leur leadership dans le programme Jeune pro, ainsi que nos partenaires, RBC, Canadien Pacifique, Citi Canada et le Fonds destiné aux femmes de la Fondation.

stars as they were coming up as young players, and have been able to see up close how the development system works in Canada.

In 2016 the Foundation focused on four main fundraising events:

1. The Monday Pro-Am at the RBC Canadian Open, Glen Abbey Golf Club
2. Play Like the Pros, Glen Abbey Golf Club
3. Summer Swing, Angus Glen Golf Club
4. Golf Canada Foundation Invitational, Cabot Links and Cliffs

We'd like to extend our appreciation to TaylorMade and West Jet for supporting Play Like the Pros, RBC and Nike for Summer Swing, Adam Hadwin for his generous support of the Invitational, and our partner Titleist for bringing the legendary Bob Vokey to Cabot Links to entertain with his stories and instruction.

Above all thank you to the participants and all the volunteers who made these events happen. Your support made a significant contribution to golf programs in Canada, and helped our long-term goal of connecting with golfers across the country.

Scholarships/Grants

The Golf Canada Foundation continued its long-standing support of collegiate golf in Canada by awarding thirteen scholarships with a combined value of \$50,500, and 35 matching grants totaling \$50,000. When combined with the \$50,000 in matching funds from the schools, the Foundation ensured that over \$150,000 went toward Canadian college and university golf programs. The Women's Fund also distributed \$113,500 towards five fantastic programs benefiting girls and women across the country. I would like to thank both the Scholarships & Grants committee and the Women's Fund committee for their hard work and oversight of two important Foundation programs.

Donateurs et événements de la Fondation

Le programme Supporteurs continue de croître et à ce jour, 44 supporteurs ont investi dans la Fondation et dans les programmes qu'elle soutient. Grâce à un investissement minimum de 5 000 \$, les supporteurs obtiennent un accès exclusif à des tournois et événements golifiques, aux joueurs les plus en vue et à des offres spéciales de nos partenaires. Plusieurs de ces supporteurs ont joué avec les étoiles d'aujourd'hui alors qu'elles étaient encore de jeunes espoirs et ils ont donc pu constater l'efficacité du système canadien de développement.

En 2016, la Fondation a concentré ses efforts sur quatre événements de collecte de fonds :

1. Pro-Am du lundi de l'Omnium canadien RBC, Glen Abbey Golf Club
2. Jouer comme un pro, Glen Abbey Golf Club
3. Summer Swing, Angus Glen Golf Club
4. Tournoi sur invitation de la Fondation Golf Canada, Cabot Links et Cabot Cliffs

Nous remercions TaylorMade et WestJet pour leur appui au programme Jouer comme un pro; RBC et Nike pour Summer Swing; Adam Hadwin pour son appui au Tournoi sur invitation et, finalement, notre partenaire Titleist grâce auquel le légendaire Bob Vokey s'est rendu à Cabot Links pour divertir ses auditeurs avec ses histoires et conseils.

Nous remercions tout particulièrement les participants et les bénévoles qui ont permis la tenue de ces événements. Leur soutien représente une contribution considérable aux programmes de Golf Canada et nous aide à réaliser notre objectif à long terme : atteindre l'ensemble des golfeurs du pays.

Bourses et subventions

La Fondation Golf Canada a poursuivi son soutien au golf universitaire canadien en octroyant 13 bourses totalisant 50 500 \$, ainsi que 35 subventions totalisant 50 000 \$, si bien que les programmes de golf des universités et collèges canadiens ont touché plus de 150 000 \$ si l'on ajoute les subventions paritaires

GOLF CANADA FOUNDATION PRESIDENT'S REPORT

Rapport du président de la Fondation Golf Canada

I would like to extend my condolences to the friends and family of Ian Peachey, and thank you for donating to Golf In Schools in his honour.

I also wish to thank the Canadian Seniors Golf Association for their continued funding of scholarships and for backing a major initiative in Golf in Schools, along with contributions to the junior programs at Royal Montreal and Beaconsfield.

For the fourth straight year, the Shaw Charity Classic chose junior golf in Canada as the beneficiary of a generous contribution from the PGA TOUR Champions. The Foundation also received a gift from the CIBC Wood Gundy Children's Fund that will be used toward Golf In Schools. I would like to thank both organizations for their donations.

I thank my fellow Directors for their hard work and guidance through a year of growth and development for the Foundation. I appreciate all the effort and support that you all have committed to the Foundation, and look forward to continuing our work together in years to come.

contribuées par les écoles. Le Fonds destiné aux femmes a aussi versé 113 500 \$ à cinq programmes fantastiques qui profitent aux filles et aux femmes de tout le pays. Je remercie le Comité des bourses et subventions et le Comité du Fonds destiné aux femmes pour leurs efforts inlassables et leur supervision de deux importants programmes de la Fondation.

Je profite de l'occasion pour offrir mes condoléances à la famille et aux amis d'Ian Peachey et je remercie les personnes qui ont fait un don à Golf en milieu scolaire en sa mémoire.

Je remercie l'Association canadienne des golfeurs séniors pour son fonds de bourses et son soutien de cette initiative importante qu'est Golf en milieu scolaire, sans compter sa contribution aux programmes juniors des clubs Royal Montréal et Beaconsfield.

Pour la quatrième année consécutive, la Classique de bienfaisance Shaw a choisi le golf junior canadien comme bénéficiaire d'une généreuse contribution du Circuit des Champions du PGA TOUR. La Fondation a également reçu un don de la Fondation pour enfants CIBC Wood Fundy, comme qui sera versée à Golf en milieu scolaire. Je remercie ces deux généreux donateurs.

Je remercie mes collègues du Conseil d'administration pour leur travail acharné et leurs sages conseils tout au long d'une année où la Fondation a crû et s'est développée. Je vous suis reconnaissant des efforts que vous avez déployés pour le soutien de la Fondation. J'espère pouvoir continuer de collaborer avec vous pendant de nombreuses années.

CEO REPORT

Rapport du chef de la direction

One of the challenges we faced in 2016 was to not only sustain the gains from previous years but build on the success of the events and our donor programs. I'm pleased to report that we were able to increase revenue more than 20%, and increase our support of Team Canada, the Young Pro program and junior golf initiatives across the country. Highlights of the year include:

- Recognition of Team Canada's success at the Amateur and Young Pro Squad level reached new heights with several key milestones including Brooke Henderson's major win and second LPGA Tour victory, Mackenzie Hughes taking his first PGA Tour title, and Jared duToit thrilling Canadian fans with a top-10 finish at the RBC Canadian Open from the final group.
- Cabot Links and Cliffs once again hosted the Golf Canada Invitational, with former Team Canada player and current PGA Tour star Adam Hadwin headlining the event along with Canadian equipment legend Bob Vokey from Titleist.
- Our rebranded Summer Swing event for women welcomed hundreds of beginning golfers in a fun and compelling format at Angus Glen.
- A record number of schools applied for our grant-matching program, with 35 schools across Canada taking part.

En 2016, l'un de nos défis était non seulement de maintenir les gains des années précédentes, mais aussi de miser sur le succès de nos événements et des programmes destinés aux donateurs. Il me fait plaisir d'annoncer que nous avons été en mesure d'augmenter nos revenus de plus de 20% et d'accroître notre soutien à Équipe Canada, au programme Jeune pro et à des initiatives de golf junior à travers le pays. Voici quelques faits saillants de l'année écoulée :

- Les formations amateur et Jeune pro d'Équipe Canada ont connu des succès sans précédent. Ainsi, Brooke Henderson a gagné son premier championnat majeur et signé sa deuxième victoire sur le Circuit de la LPGA, Mackenzie Hughes a remporté son premier titre sur le PGA TOUR et Jared du Toit a gagné le cœur des fans canadiens en finissant dans le top 10 de l'Omnium canadien RBC après avoir fait partie du dernier groupe la dernière journée.
- Cabot Links and Cliffs a une fois de plus été l'hôte du tournoi sur invitation de Golf Canada. Adam Hadwin, ex-membre d'Équipe Canada qui est maintenant une étoile du PGA TOUR, était l'attraction principale aux côtés de Bob Vokey, de Titleist, une légende canadienne de l'équipement.
- À Angus Glen, notre événement pour les femmes Summer Swing a accueilli des centaines de golfeuses débutantes dans une ambiance décontractée où le plaisir était à l'ordre du jour.
- Un nombre record d'écoles canadiennes, soit 35, a participé à notre programme de subventions paritaires.

The Year Ahead

In 2017 we're excited to embark on a new three-year plan to engage more Trustees and donors across Canada, increase our integration in Canada's biggest golf events in the RBC Canadian Open and the CP Women's Open, and reach out to more avid golfers and industry stakeholders to tell our story.

In addition to our partners I would like to thank the significant contribution of the volunteers who have helped us throughout the year, including committee members for the Women's Fund, Scholarships and Grants, the Summer Swing, and the volunteer boards at the Foundation and Golf Canada. All have been instrumental in building the Foundation into one of the top sports charities in Canada.

L'année qui vient

En 2017, c'est avec enthousiasme que nous lançons un nouveau plan triennal pour mobiliser plus de supporteurs et de donateurs, augmenter notre intégration aux deux plus grands tournois de golf du Canada, l'Omnium canadien RBC et l'Omnium féminin CP, et nous faire connaître par un plus grand nombre de golfeurs passionnés et d'intervenants de l'industrie.

Outre nos partenaires, je remercie les bénévoles qui nous ont aidés toute l'année durant. Je salue les membres des comités du Fonds destiné aux femmes et de celui des Bourses et subventions, les bénévoles de l'événement Summer Swing et ceux qui siègent aux conseils d'administration de la Fondation et de Golf Canada. C'est grâce à eux tous si la Fondation est aujourd'hui l'un des organismes de philanthropie sportive les plus en vue au Canada.

WOMEN'S FUND REPORT

Rapport du Fonds destiné aux femmes

The Women's Fund had a very rewarding year under the umbrella of the Golf Canada Foundation. A total of \$113,500.00 was granted from the fund in 2016 for 5 very worthwhile projects.

- **Golf Canada World Junior Girls Championship**
\$75,000

2016 saw the third year of the World Junior Girls Championship. This year's tournament was held at Mississauga Golf & Country Club in Mississauga, Ontario. Golf Canada made this prestigious tournament the first of its kind for junior girls, and the event now includes 48 of the best young female golfers from 15 countries. The Championship also delivers grass roots participation for young girls through free golf clinics. The Women's Fund grant of \$75,000 helped to make this event a huge success.

- **Alberta Golf**
\$6,000

2016 marked the first year of She Swings She Scores in Alberta. The program introduced 1,200 girls in Alberta to the sport of golf, by bringing a community booth to seven hockey and lacrosse tournaments across the province and encouraging girls to try the sport. 65% of the girls who participated in the program had never tried golf before – and survey results indicated that 64% of respondents would like to play golf again. The Women's Fund committee is very supportive of this program and appreciates the efforts of those who implement it across the nation.

- **Golf Saskatchewan**
\$3,500

The Women's Fund supported an assortment of camps and clinics that took place in Saskatchewan – a high performance camp that included sport science learnings, a girls camp that included skill development and course management at the North American Indigenous Games for First Nations female athletes trying to make the 2017 NAIG games, a Golf Saskatchewan girls only camp open to all (member and non-member) female junior golfers in the province, the "Golf like a girl" program at Moon Lake Golf Club (teaching women the basics), a Ladies only clinic at Melfort for members and non-members, a Girls Only Golf summer program at Wildwood, and Tour Girls with Ash at Dakota Dunes, which also welcomed a number of First Nations participants.

Le Fonds destiné aux femmes a connu une année très gratifiante sous l'égide de la Fondation Golf Canada. En 2015, le Fonds a accordé des subventions totalisant 113 500 \$ à cinq projets des plus méritoires.

- **Championnat mondial junior féminin de Golf Canada – 75 000 \$**

La troisième édition du Championnat mondial junior féminin a été présentée en 2016 au Mississauga Golf and Country Club de Mississauga, en Ontario. Quarante-huit des meilleures golfeuses juniors de 15 pays ont pris part à ce prestigieux tournoi pour filles juniors, une initiative de Golf Canada. Le championnat a aussi proposé des leçons de golf gratuites pour jeunes filles. La subvention de 75 000 \$ du Fonds destiné aux femmes a contribué au succès de cet événement.

- **Alberta Golf**
6 000 \$

Le programme She Swings She Scores a été inauguré en 2016 en Alberta. Quelque 1 200 jeunes Albertaines ont été invitées à essayer le golf à l'occasion de sept tournois de hockey et de crosse, leurs deux sports de prédilection (un kiosque itinérant avait été installé pour leurs débuts golifiques). Soixante-cinq pour cent (65 %) des participantes n'avaient jamais tenu un bâton de golf dans leurs mains, et un sondage a indiqué que 64 % des répondantes aimeraient jouer au golf à nouveau. Le Comité du Fonds destiné aux femmes appuie totalement ce programme et remercie de leurs efforts les personnes qui l'implantent dans les diverses régions du pays.

- **Golf Saskatchewan**
3 500 \$

Le Fonds destiné aux femmes a soutenu divers camps et cours pratiques en Saskatchewan : un camp de haute performance qui a fait une large part aux sciences du sport; un camp pour filles, axé sur le développement des habiletés et la gestion du parcours, qui s'adressait aux golfeuses désireuses de se qualifier pour les Jeux autochtones de l'Amérique du Nord; un camp de Golf Saskatchewan pour les filles juniors de cette province (membres et non membres); un cours pratique sur les fondamentaux du golf dans le cadre du programme Golf Like a Girl, au Moon Lake Golf Club (membres et non-membres); un programme d'été dans le cadre du programme Girls Only Golf à Wildwood et, finalement,

WOMEN'S FUND REPORT

Rapport du Fonds destiné aux femmes

- **Golf Ontario**
\$4,000

The Women's Fund supported "The Time is Now" session, which was put on by Golf Ontario in 2016. The session was an opportunity for Golf Ontario and the GCF to host top female sport administrators in Ontario to talk about a healthy sport culture for girls, what we need to stop and start to create a healthy environment, opportunities and needs and next steps. This group will continue the work of creating a healthy sport culture for women and will continue to educate their Boards of Directors and individual sports about the need to promote a positive environment for girls to play and compete in sport. Many of the sports who participated that day have made formal presentation to their boards and the group will continue to develop a strategy and action steps to create a healthy culture for girls in sport.

- **Golf Canada Foundation – Young Pro Program**
\$25,000

The Women's Fund approved \$25,000 to go directly towards matching donations to support a team of young professionals. The primary focus is to help improve the playing ability of players once they turn pro by overcoming the many hurdles they face in coaching, managing their careers, equipment, sport science schedule and training. This year's recipients were: Sue Kim and Augusta James.

As Chair for 2016, I would like to extend a heartfelt thank you to our committee for their dedication and commitment in upholding the integrity and mandate of this fund.

à Dakota Dunes, l'événement Tour Girls with Ash où étaient représentées les Premières Nations.

- **Golf Ontario**
4 000 \$

Le Fonds destiné aux femmes a soutenu la rencontre The Time is Now, organisée par Golf Ontario en 2016. Golf Ontario et la Fondation Golf Canada avaient invité des administratrices sportives réputées de l'Ontario à parler d'une culture sportive saine pour les filles et des conditions requises pour créer un environnement où celles-ci se sentent à l'aise. Plusieurs sports qui ont participé à cette journée ont fait une présentation officielle à leur Conseil d'administration. Il est acquis que l'on continuera de développer une stratégie afin que des mesures soient prises pour créer une culture sportive saine pour les filles.

- **Fondation Golf Canada - Programme Jeune pro**
25 000 \$

Le Fonds destiné aux femmes a approuvé l'octroi de 25 000 \$ pour équilibrer les dons de soutien à une équipe de jeunes professionnelles. L'objectif premier est d'aider les jeunes pros à surmonter les nombreux obstacles qui se dressent devant eux durant la phase de transition du point de vue de l'entraînement, de la gestion de carrière, de l'équipement et de la science du sport. Sue Kim et Augusta James ont été les lauréates en 2016.

En ma qualité de présidente pour 2016, je remercie sincèrement notre comité qui n'a ménagé aucun effort pour préserver l'intégrité et le mandat du Fonds destiné aux femmes.

SCHOLARSHIP & GRANTS COMMITTEE REPORT

Rapport du Comité des bourses et subventions

The committee, along with Martin and Spencer, once again evaluated scholarship applications from all across Canada. In 2016 the Foundation received 60 applications from students across the country. 13 students were awarded scholarships and the combined value of these awards was \$50,500. It is important to continue to implement a concerted effort to increase awareness across Canada of the scholarships available

The University Grant Fund

2016 was the third year of the revised format for collegiate grants. Funding provided by the Foundation is reserved for matching external funds raised by university and college golf programs. Schools must apply for the funding, and once they are approved they must demonstrate the amount that they have raised externally over a specific time period. In 2016, 35 academic institutions submitted applications requesting grant funding, an increase from 32 applications in 2014. All applicants received funding, and a total of \$50,000 in grants was distributed, generating over \$100,000 to support collegiate golf in Canada.

The goal of the grant program for Canadian Universities and Colleges continues to be to provide a viable option for young Canadian golfers to pursue their post-secondary educations in Canada. The program reached approximately 500 students this year, providing scholarships for academics and funds for golf programs at the schools, so that students can continue to play golf while studying and developing as future members of the Canadian business community.

Le Comité, de concert avec Martin et Spencer, a une fois de plus examiné les demandes de bourse provenant de toutes les régions du Canada. En 2016, la Fondation a reçu 60 demandes, une augmentation comparativement à 2014. La Fondation a octroyé des bourses totalisant 50 500 \$ à 13 étudiants. Encore une fois, il est extrêmement important de concerter nos efforts pour tenir le public canadien au courant des bourses disponibles.

Fonds de soutien universitaire

2016 a marqué la troisième année du nouveau processus d'octroi des subventions postsecondaires. Les subventions accordées par la Fondation égalent les fonds collectés par les universités et collèges ayant un programme de golf. Les établissements doivent faire une demande de subvention. Une fois leur demande approuvée, elles doivent révéler le montant qu'elles ont recueilli à l'externe sur une période définie. En 2016, 35 établissements d'enseignement ont soumis une demande de subvention, comparativement à 32 en 2015. Tous les postulants ont reçu une subvention. Celles-ci ont totalisé 50 000 \$, si bien que les 35 programmes de golf universitaires et collégiaux ont pu compter sur plus de 100 000 \$.

L'objectif du programme de soutien aux universités et collèges canadiens est de permettre aux jeunes golfeuses et golfeurs canadiens de poursuivre leurs études postsecondaires au Canada. Le programme, qui a touché 500 étudiants en 2016, fournit des bourses pour des programmes scolaires et golifiques aux établissements postsecondaires. Ainsi, les étudiants peuvent continuer de pratiquer le golf tout en recevant une formation qui en fera éventuellement des membres de la communauté canadienne des affaires.

Summer Swing

The Golf Canada Foundation, for the third consecutive year, held an event focusing on women's golf at Angus Glen Golf Club. In 2016 the event was rebranded and reimagined from the ground up as "The Summer Swing", and took place on the afternoon of Sunday, August 7th.

The new format embraced new and beginning golfers in a fun afternoon involving golf clinics, shopping, and food and cocktails. Highlights included motivational speaker and golf entertainer Lisa Longball, a one hole walk-through with Lindsay Knowlton of Iron Lady Golf, two golf stations with local professionals, and three vendors (including official shopping partner Saks Fifth Avenue).

The new format was a big success, allowing many women to get involved in golf or return to the sport, while also supporting growth of the women's game by raising over \$50,000. We're looking forward to expanding attendance and growing awareness for women's golf through this event for many years to come.

Golf Canada Foundation Pro-Am (RBC Canadian Open)

2016 marked the fourth year of the Golf Canada Foundation Pro-Am on the Monday of the RBC Canadian Open. On Monday July 18th, the Pro-Am was held at the Glen Abbey Golf Club in Oakville, Ontario. The objective of the Pro-Am was to create awareness and raise funds for Foundation initiatives, in particular Team Canada and the Young Pro program.

The Pro-Am was supported by RBC and featured the top Canadian golfers, including several Canadians on the PGA Tour. Highlights included a panel hosted by TSN sports announcer Rod Black, featuring Alena Sharp, David Hearn, Graham DeLaet, Nick Taylor, Adam Hadwin and Mike Weir.

The evening was a great success and allowed the Golf Canada Foundation to grant over \$190,000 to golf initiatives across the country. The Golf Canada

Summer Swing

Pour une troisième année consécutive, la Fondation Golf Canada a présenté un événement golfique pour dames à l'Angus Glen Golf Club. En 2016, le Summer Swing s'est donné une nouvelle image et a été repensé de fond en comble. Il a eu lieu dans l'après-midi du dimanche 7 août.

La nouvelle formule s'adressait dans une ambiance décontractée à des golfeuses débutantes. Outre des cours pratiques de golf, l'événement comportait un volet magasinage. Les participantes ont pu aussi se restaurer et siroter des boissons.

Étaient sur place la conférencière motivatrice et l'amuseuse de golf Lisa Longball, ainsi que Lindsay Knowlton, d'Iron Lady Golf. Deux stations de golf animées par des pros de la région, étaient à la disposition des participantes, sans compter la présence de trois marchands dont Saks Fifth Avenue, partenaire officiel du magasinage.

La nouvelle formule a connu un vif succès. Plusieurs femmes ont eu la chance de découvrir le golf ou d'y revenir tandis que plus de 50 000 \$ étaient recueillis qui ont été investis dans le golf féminin. Notre objectif est de continuer d'augmenter la participation à cet événement et de sensibiliser le public au golf féminin pendant plusieurs années encore.

Pro-Am de la Fondation Golf Canada (Omnium canadien RBC)

En 2016, pour la quatrième fois, le Pro-Am de la Fondation Golf Canada s'est déroulée le lundi de l'Omnium canadien RBC, soit le 18 juillet, au Glen Abbey Golf Club (Oakville, Ontario). L'objectif du Pro-Am était de sensibiliser le public aux initiatives de la Fondation Golf Canada et à collecter des fonds, particulièrement pour Équipe Canada et le programme Jeune pro.

Foundation will continue to manage the Monday Pro-Am at the RBC Canadian Open and is looking forward to hosting the next event at the Glen Abbey Golf Club in 2017.

Golf Canada Foundation Invitational

For a second consecutive year, the Golf Canada Foundation held an invitational fundraiser at Cabot Links & Cabot Cliffs in Inverness, Nova Scotia. The event took place October 4th and 5th, and included a round of golf at each course, accommodations, a dinner reception, and premium gifting and prizing.

Team Canada coach Tristan Mullally, Canadian PGA TOUR player Adam Hadwin and CN Future Links Facility of the Year recipient Brian Affleck (owner and pro at Eagles Chance Par 3 Course and Driving Range) were in attendance, demonstrating how the development continuum goes from the youngest kids right up through the PGA Tour. Legendary equipment guru Bob Vokey from Titleist gave an insiders' view on the industry through an entertaining keynote address and worked with individual players at clinics throughout the event.

The Golf Canada Foundation Invitational raised over \$73,000 and provided an effective platform to explain and spread the Foundation's mission and fundraising channels. The event would not have been possible without the incredible support of Golf Canada Foundation Board member Ben Cowan-Dewar and the entire Cabot Links team.

Play Like the Pros Charity Challenge

2016 was also the second year of the Golf Canada Foundation's Play Like the Pros Charity Challenge, an event that involves teams fundraising through their own networks. 72 golfers registered to play at mini-tournaments at Ontario and Quebec's most exclusive premium golf clubs like Beacon Hall, Redtail, and Oviinbyrd. Winning teams from each venue plus the top fundraising teams participated in an exciting final event at Glen Abbey Golf Club, playing the course in PGA Tour conditions, pin positions, and tee boxes on July 25th, the day after the RBC Canadian Open final

Le Pro-Am était soutenu par RBC et mettait en vedette l'élite canadienne du golf, y compris plusieurs Canadiens membres du PGA TOUR. Rod Black, annonceur sportif à TSN, a animé un panel composé d'Alena Sharp, David Hearn, Graham DeLaet, Nick Taylor, Adam Hadwin et Mike Weir

L'événement s'est avéré un franc succès et a permis à la Fondation Golf Canada de recueillir plus de 190 000 \$ pour des initiatives de golf d'un bout à l'autre du pays. En 2017, la Fondation Golf Canada présentera de nouveau le Pro-Am du lundi lors de l'Omnium canadien RBC qui aura lieu au Glen Abbey Golf Club.

Tournoi sur invitation de la Fondation Golf Canada

La Fondation Golf Canada a organisé un tournoi de collecte de fonds de deux jours aux parcours Cabot Links et Cabot Cliffs (Inverness, N.-É.). L'événement a eu lieu les 4 et 5 octobre et comprenait une ronde de golf sur chacun des parcours, l'hébergement, un dîner officiel, une vente aux enchères et la remise de cadeaux et prix.

Tristan Mullally, entraîneur-chef d'Équipe Canada, le Canadien Adam Hadwin, membre du PGA TOUR, et Brian Affleck, propriétaire de l'Eagles Chance Par 3 Course and Driving Range où il est également professionnel – ce club a été choisi club Premiers élan de l'année – ont expliqué le cheminement du développement, de l'enfance au PGA TOUR. Bob Vokey, de Titleist, un expert de l'équipement, a fait entrer sur un mode léger ses auditeurs dans les coulisses de l'industrie du golf en plus de participer à des cours pratiques tout au long de l'événement.

Le Tournoi sur invitation de la Fondation Golf Canada a recueilli plus de 73 000 \$ et a fourni une plateforme pour expliquer et publiciser la mission de la Fondation ainsi que les véhicules de collecte de fonds. L'événement n'aurait pu avoir lieu sans le soutien indéfectible de Ben Cowan-Dewar, membre du Conseil de la Fondation, et de toute l'équipe de Cabot Links.

Défi de bienfaisance Jouer comme un pro

En 2016, le Défi de bienfaisance Jouer comme un pro, une initiative de la Fondation Golf Canada, a été présenté pour la deuxième fois. Cet événement réunit des équipes qui collectent des fonds par l'intermédiaire de leurs propres réseaux. Soixante-douze (72) golfeurs ont participé à des mini-tournois dans des clubs réputés de l'Ontario et du Québec (Royal Montréal, Beacon Hall, Redtail, Oviinbyrd). Le quatuor gagnant de chaque club et les meilleures équipes de collecte de fonds ont participé à la finale au Glen Abbey Golf Club, au lendemain de l'Omnium canadien RBC, le 25 juillet. Les conditions - emplacement des drapeaux, longueur des trous - étaient les mêmes que pour les joueurs du PGA TOUR.
