ABOUT THE GOLF CANADA FOUNDATION

The Golf Canada Foundation is the leading source for golf philanthropy in Canada, awarding over \$6 million in grants and scholarships since 1982. The Foundation's mission is to support and promote programs that increase participation in golf by engaging players of all ages and abilities across the country.

Funds raised at this year's event will be directed toward a range of grassroots developmental programs in Canada. The Foundation will be supporting initiatives that:

- Introduce golf to kids in elementary school and high schools through *Golf in Schools*, driven by Acura using educator approved curriculum and age-appropriate clubs;
- Bridge the gap between schools and junior competitive golf through *Future Links*, driven by Acura programs;
- Build excellence in Canadian collegiate golf through grants and student golfers through scholarships;
- Develop the next generation of Canadian golf heroes through Team Canada's development, amateur, and Young Pro squads.
